An **EASY-TO-USE** solution  
for your **large format**  
document management.

**KM-3650W**

So compact and quiet that it can be set up in almost any office, the Kyocera KM-3650w offers a full range of solutions for your large format printing, copying and scanning needs up to A0. And you will always find this multifunctional easy to use, regardless of whether you are using the network printing functions or the large, conveniently placed operating screen. Not only is the day-to-day operation trouble-free, maintenance is just as easy so that you do not have to worry about down-times. Take a closer look! You will see that this all-in-one device is a simple and highly efficient addition to your office.

### **User-friendly operation panel**

The operation panel with angle adjustment is located for easy access, ensures optimal operating comfort and let you avoid reflection from ambient lighting.

### **Face-up original feeding**

Face-up feeding is a simple and effective way to prevent skewing and ensure precise scanning so that you always have a dust-free original.

### **Manual bypass**

Should you need to use special media or if you are only making one quick copy, the manual bypass gives you fast and easy access.

### **Mono-component toner**

Easy to replace and economical to use, mono-component toner ensures that no toner is wasted, making this system environmentally friendly.

### **Two roll capacity**

With space for up to two rolls, using different sizes or switching from plain paper to transparency paper is fast and easy.
